

## **PUBLIC NOTICE: Provincial Bridge Works Within Twillingate**

The Town of Twillingate wishes to inform residents and visitors that the Government of Newfoundland and Labrador will be undertaking provincial bridge repair and maintenance at two locations near or within the Town's municipal boundaries.

### **Project Timeline:**

**Start Date:** Monday, June 16, 2025

**Expected Completion Date:** Monday, September 22, 2025

### **Work Locations:**

- **Location 1** – bridge at the end of the causeway leading into Twillingate
- **Location 2** – Tickle Bridge, Twillingate

The Town is cooperating with provincial authorities to support effective communication and public safety during these works. This project is led and managed by the Province, and all inquiries should be directed to the designated provincial project contact listed below.

### **Traffic Impacts:**

- Temporary traffic detours and delays may occur near construction areas.
- Safety signage and traffic control will be managed by the Province.
- Access for emergency services and local residents will be maintained.
